

Social Cooperatives International School – SCIS2019

Incredible JoBs

A worldwide strategy for boosting work integration of disadvantaged people

“Incredible JoBs” is the kick-off event of the Social Cooperatives International School, an international conference on work integration of disadvantaged people. The event is realised in the framework of the Italian month of type B social cooperatives, also known as the work integration social cooperatives and social enterprises. During the whole month of October, Federsolidarietà will organise local events in Italy – conferences and seminars – to raise the attention on the creation of work opportunities for disadvantaged people.
